To enquire about booking please call Waterview at 604.875.0153 or email: info@waterviewvancouver.com.

Food and Beverage Service

Culinary Capers Catering and Special Events www.culinarycapers.com is our exclusive caterer. For a confirmed booking, we will put you in touch with Culinary Capers and they will provide a complete quote (minimum food and beverage spend may apply). Culinary Capers are also able to assist in finding an alternate event space when Waterview is already booked or not the right fit for a particular event.

Culinary Capers has a catering liquor licence and are able to supply full bar service. There is no additional charge for a standard bar set up including in-house glassware, lemons and limes, ice and filtered tap water.

Event Design

Our preferred supplier for either partial or full service event design is PartyArt Design. They have extensive knowledge and access to the facility and do not require Waterview personnel to open the facility and provide on-site supervision. Check www.partyartbc.com for more information.

Should you wish to use other vendors there will be additional charges of \$60.00 an hour (minimum of two hours per time slot) to have a Waterview supervisor on-site. Granting of extra set up and strike time will be at the discretion of Waterview and will be subject to availability (additional venue rental charges may also apply).
